Nillumbik Artist in Residence Program 2024-25

Three separate residencies: Visual Artist, Literary Artist and Young Performing Artist.

Funding:

A grant of \$5,000 per residency plus additional payments for the delivery of community sessions.

Program Dates:

1 July 2024 to 30 June 2025: Visual Artist and the Literary Artist.

1 September 2024 to 30 June 2025: Young Performing Artist

Background

We understand artists need a creative space. We also understand that many of our local artists do not have a separate creative space or the resources to dedicate a period of time solely to their practice.

As part of our Arts and Culture Strategy goal to create a visible and supported creative community, we are committed to offering artist residency programs in inspiring places, in support of emerging and established artists.

Nillumbik Artist in Residence Program 2024-25 Application Form Preview

The Nillumbik Artist in Residence Program has been developed to create artist residencies for local creatives to explore their practice in an environment removed from the distractions of everyday life, connect to the Nillumbik Community and to develop a nominated Nillumbik-inspired project.

The residencies are all located within Nillumbik community facilities and in addition to a \$5,000 grant and additional payments for the delivery of community sessions, all residencies will offer artists social and creative support as well as new community connections and inspirations.

The Program

The program is open to individual artists and small artist groups from visual arts, literary arts, and performing arts or cross-disciplinary arts practice across these fields. The Young Performing Artist Residency is open to artists aged 18 - 25 years.

The Nillumbik Artist in Residence Program provides **three separate artist residencies.**

- 1. Visual Artist in Residence at Edendale Community Environment Farm**
- 2. Literary Artist in Residence at Eltham Library and/or Diamond Valley Library**
- 3. Young Performing Artist in Residence at Nillumbik Youth Hub (artists aged 18-25)**

Specific commitments to the residency host venue are embedded into the program. See *Artist Brief* section of the Creative Brief.

The program will offer each artist:

- **A studio/creative space**
- **A grant of \$5K, payable in two installments (1. June 2024, 2. November 2024)**
- **Support and payment by separate invoice in line with NAVA or industry association rates for the delivery of a series of community sessions**
- **Promotion of artist, project, community sessions and other activities related to the residency**

The residencies are **not live-in** but offer generous access to the residency space including after-hours and weekends.

The residencies will run from 1 July 2024 to 30 June 2025 for the Visual Artist and the Literary Artist and 1 September 2024 to 30 June 2025 for the Young Performing Artist.

Refer to the [Creative Brief](#) for residency location information.
